

# ALL ABOUT XCHANGEIT

XchangeIT provides stores with a low-cost solution to bring about efficiencies in the newsagent supply chain, saving time, money and effort. By facilitating the transfer of data to and from the store point of sale system, the need for manual entry is practically eliminated.

We partner with several suppliers and over 1750 newsagents. XchangeIT is compatible with the main point of sale vendors in the channel.

Along with The Lottery Corporation, XchangeIT has also developed a feature called Terminal Connect, which automatically transfers transactions from the lottery terminal to the point of sale.

## Benefits of XchangeIT

- Practically eliminates manual entry, saving time, and improving accuracy
- Automatic update of the POS inventory
- One application to manage many suppliers
- Returns through XchangeIT means faster credits and improved cashflow
- Store saves time and effort, freeing up resources to spend time with customers
- Terminal Connect saves customer queue times, and reduces end of day reconciliation of the lottery terminal to the point of sale
- Are Direct No Physical Returns program only available to XchangeIT stores (subject to eligibility criteria).
